Retransmission Authorization

Dear Mr. Pray:

Please accept this letter as formal notification that KTNV grants the Moapa Valley Television Maintenance Board permission to retransmit both our digital and analog signal for the 2012-2015 retransmission election period, as long as the service you provide continues to be a free, over-the-air signal to your community.

This permission is valid for the next three years. It will require renewal by KTNV on December 31, 2014. Please let me know if you have any questions.

We appreciate your efforts to provide quality television to your community.

Regards,
